

CAPITAL DEVELOPMENT AUTHORITY

PUBLIC NOTICE

A large number of owners of buildings, including high-rises, commercial, industrial, institutional, schools, government buildings and residential houses have encroached upon CDA's land. These encroachments are of the following types:

- (a) Land of CDA / Footpath / obstruction in road including generators etc.
- (b) Installation of barbed wires in CDA land around the buildings.
- (c) Construction of Car sheds, and Car Parking on CDA's land including generators etc.
- (d) Provision of security apparatus on CDA's land.

Now through this final notice all those owners / residents of such buildings who have encroached upon CDA's land are being informed in their own interest to remove above encroachment on their own within 24 hours of the publication of this advertisement in newspapers. They will not be given more time for the purpose and CDA will remove / demolish encroachments and will not be responsible for any damage that might occur during this process.
